Explanatory notes to the Notice of Annual General Meeting

These notes give an explanation of the proposed resolutions. Resolutions 1 to 7 are proposed as ordinary resolutions. This means that for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolution. Resolution 8 is proposed as a special resolution. This means that for resolution 8 to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

Resolution 1 – Annual report and accounts

The directors must lay the Company's accounts, the Directors' Report and the Auditor's Report before the shareholders in a general meeting. This is a legal requirement after the directors have approved the accounts and the Directors' Report, and the auditors have prepared their report.

Resolutions 2 to 4 – Re-election of directors

The Company's Articles of Association require that at the Annual General Meeting of the Company any directors who have been appointed since the last Annual General Meeting, or any who were not appointed or re-appointed at one of the preceding two Annual General Meetings, must retire from office. Accordingly, Chris Brinsmead, Hilary Spence and Geoff Bennett will offer themselves for re-election at the Annual General Meeting.

Biographical details of the directors are set out on pages 24 and 25 of the annual report and accounts.

Resolutions 5 and 6 – Re-appointment and remuneration of auditors

The Company is required to appoint auditors for each financial year of the Company. Resolution 5 proposes the re-appointment of RSM UK Audit LLP as the Company's auditors for the current financial year of the Company ending on 31 March 2019. Resolution 6 seeks authority for the directors to decide the auditors' remuneration.

Resolution 7 – Renewal of authority to allot shares

The purpose of this resolution is to renew the directors' power to allot shares. Section 551 of the Companies Act 2006 (the "Act") provides that the directors may not allot new shares (other than for employee share schemes) without shareholder approval. This resolution proposes that authority be granted in substitution of the existing authority to allot securities up to a maximum amount of £1,081,722. This amount represents approximately one-third of the Company's total issued ordinary share capital as at 25 July 2018, being the latest practicable date prior to publication of this document.

In addition, following guidance issued by the ABI in December 2008 and updated in November 2009, the Company is seeking additional authority to allot securities in connection with a fully pre-emptive rights issue up to a maximum amount of £1,081,722 representing approximately one-third of the Company's total issued ordinary share capital as at 25 July 2018, being the latest practicable date prior to publication of this document. The benefit to the Company of obtaining such authority on an annual basis is that it would allow the Company to implement a rights issue of an amount equal to two-thirds of the issued ordinary share capital without the need to call an additional general meeting. This would shorten the implementation timetable of such a rights issue.

The directors consider that the authorities sought pursuant to resolution 7 are desirable to allow the Company to retain flexibility although they have no present intention of exercising these authorities. The authorities will expire at the end of the 2019 Annual General Meeting or, if earlier, on 30 September 2019, unless previously cancelled or varied by the Company in general meeting.

Resolution 8 – Disapplication of pre-emption rights

Section 561(1) of the Act provides that if the directors wish to allot any equity securities, or sell any treasury shares (if it holds any), for cash, it must first offer them to existing shareholders in proportion to their existing shareholdings. Section 561 does not apply in connection with an employee share scheme. The purpose of this resolution is to allow the directors to allot equity securities for cash as if section 561(1) of the Act did not apply, in connection with rights issues, open offers and other pre-emption offers pursuant to the authority granted by resolution 7, and otherwise up to a total amount of £324,517, representing approximately 10% of the Company's total issued ordinary share capital as at 25 July 2018, being the latest practicable date prior to publication of this document. This power is being sought in order to give the Company the flexibility to raise funds in the future should it choose to do so.

The authority will expire at the end of the 2019 Annual General Meeting or, if earlier, on 30 September 2019, unless previously cancelled or varied by the Company in general meeting.
